ITEM DESCRIPTION

Classic Dziolak - cotton terry flat diapers

Our flats are made in Poland from **100% unbleached cotton**. Our material has Oeko-Tex Standard certificate. Its 140 g/m² can absorb enough.

You can fold it in many different ways, e.g. kite, aeroplane, angel, diamond. We recommend to use **Snappi fastener** with our diapers.

Flat finished with overlock - nothing disturbs you baby.

Main features of our cotton terry flat diapers:

- allows air to easily go through, preventing from skin irritations as baby's skin can breathe
- it is all made from unbleached cotton
- it is a perfect solution for babies allergic to disposable nappies
- it is a perfect step to "zero waste" child and to save some money
- can be useful with cleaning dirty face, as an underbed, towel or even sun protection.

Available sizes (+/- 1 cm):

- 40 cm x 40 cm - premature size
- 50 cm x 50 cm - newborn size
- 60 cm x 60 cm - for bigger newborns and infants
- 70 cm x 70 cm - for bigger infants and older children (like One Size)
- 80 cm x 80 cm

Material: 100% natural unbleached cotton 140 g/m² of european origin

Label - 100% RPET (recycled poliester).

Washing and care instruction:

- wash at max 60°C
- shake it off after washing
- hang dry or tumble dry low heat
- we do not recommend ironing (reduces absorbency)
- do not use bleach or fabric softeners

Additional information:

- This nappy may shrink up to 10% after washing
- Proper absorbency will be achieved in 8-10 washing.
